CALL FOR ABSTRACTS

WELCOME NOTE

Dear colleagues,

On behalf of the board of directors of the German Society for Hygiene and Microbiology (DGHM) and the scientific organising committee, we cordially welcome you to the onsite **74th Annual Meeting of the DGHM 2022** in our colourful capital **Berlin**.

From **05 to 07 September**, we offer you all the advantages of scientific and industrial exchange in the **Henry-Ford-Bau**. Internationally renowned speakers and young scientists are looking forward to presenting and discussing with you both basic knowledge and application-related aspects of current research.

This year's plenary topics in the fields of microbiology, hygiene and infectious diseases are:

- Antimicrobial Resistance (AMR)
- Microbiome
- Molecular Microbiology
- Microbial Pathogenesis
- Preparedness

We expect about 1,000 participants as well as industry representatives and invite you to join us for further education and personal networking: science needs you.

We look forward to seeing you!

With kind regards

Prof. Dr. Andreas Diefenbach
Prof. Dr. Petra Gastmeier
Prof. Dr. Lothar H. Wieler
